DEAR KEMPER ADJUSTER:

These are the facts of loss as I understand them.

The insured reported their 2020 Toyota Camry stolen on the morning of October 3rd, 2023. The car was parked outside their home at 123 Elm Street the night before.

As soon as they realized the car was gone, the insured contacted the police and filed a report. They mentioned the car has a factory alarm, but no one heard it go off.

On October 5th, 2023, suspect Jeff Jeffries III was taken into custody for the alleged theft.

Sincerely,
Victoria Burke
